

1_MySOS Web : Pre-registration for Quarantine procedures

(!)
Please read
regarding Fast Track
documentation required!

(including certificate of
negative COVID test, etc)

An app can be used for some quarantine procedures before you enter Japan.

See "Quarantine Measures that Apply to You" ("To Anyone Entering/Returning to Japan" web page). For instructions to set up MySOS Web online, see account registration link.

Fast Track cannot be used if pre-registration is not completed at least 6 hours before scheduled flight arrival. Visit Fast Track website for details.

Fast Track is available on both MySOS Web and MySOS App.

See "How to link MySOS Web and MySOS app" below for information on how to link your data between the two.

The screenshot shows the Health Monitoring Center for Overseas Entrants (HCO) website. At the top, a blue banner features the text "Health Monitoring Center for Overseas Entrants (HCO), Ministry of Health, Labour and Welfare" and "To Anyone Entering/Returning to Japan" with a white airplane graphic. Below this, a light blue box contains text about border measures for COVID-19, advising the use of Fast Track and checking quarantine measures. The main form area has two pink boxes: "1 Select region" with a dropdown menu and "2 Country" with a dropdown menu. A yellow arrow points down to a row of two blue buttons: "Return to select country" and "Click for results" (which is highlighted with a yellow border). On the right side of the form, there are two orange circular "Q & A" icons with a close button.

Please access the HCO website from this link.

<https://www.hco.mhlw.go.jp/>

Select area and country, then tap the "Click for results" button.

You are not required to have a COVID-19 test at the airport and quarantine after entering Japan

Select country

Bangladesh

(1) Before entering Japan

1

Use MySOS Web for Fast Track procedures.

※MySOS App does not need to be installed.

Instructions for MySOS Web

Step1

1. Email verification

"Some quarantine procedures can be done by smartphone app before you enter Japan." Please use the following QR code and link below to access MySOS Web, then register your e-mail address.

2

<https://mysos.allm-team.net/fasttrack/signup/>

MySOS Web operations will be phased in from midnight on July 7.

The results screen will open.

Click "Use MySOS Web for Fast Track procedures" ① and ② to go the MySOS Web account registration screen.

Note: The content of the results screen will depend on which country you are arriving from.

账户注册

厚生劳动省为从海外入境日本的人士提供“快速通道”服务，该服务可以在入境日本之前，完成一部分在机场检疫时办理的手续。可以在电脑上通过MySOS Web使用快速通道，请输入初始设置所需的电子邮件地址和密码。同时，如果您为入境后健康跟踪对象，请点击[这里](#)，参考使用MySOS应用程序。

如果您设置了垃圾邮件过滤，请将来自以下域名（@符号后）的邮件设置为可接收。此外，部分国家和移动运营商可能无法接收邮件，在这种情况下，您仍然可以下载MySOS应用程序并使用快速通道。

We will send the URL for resetting the password to your e-mail address.

Email

Email

Send mail

Click "I forgot my password" on the log in screen to open this screen.
Enter your e-mail address and click "Send e-mail."

The image displays two side-by-side screenshots of the MySOS web application interface, specifically the 'Password reset' page. Both screenshots have a red header bar with the MySOS logo and a language dropdown set to 'English'. Below the header, a grey bar contains the text 'For quarantine and entry health follow-up subjects only'.

The left screenshot shows the 'Password reset' form. It has a title 'Password reset' and a note: 'New Password *Please use one-byte alphanumeric characters that are difficult for others to guess.' Below this are two input fields: 'New Password' and 'New password (Again)', both with placeholder text 'alphanumeric characters between 8 and 20 characters'. A red 'Registration' button is at the bottom. A yellow box highlights the two input fields.

The right screenshot shows the confirmation screen. It has the same title 'Password reset'. The text reads: 'Your password has been updated. Please login with the new password from the login page.' Below this is a button labeled 'ログイン画面に移動する' (Move to login screen). A yellow box highlights this button.

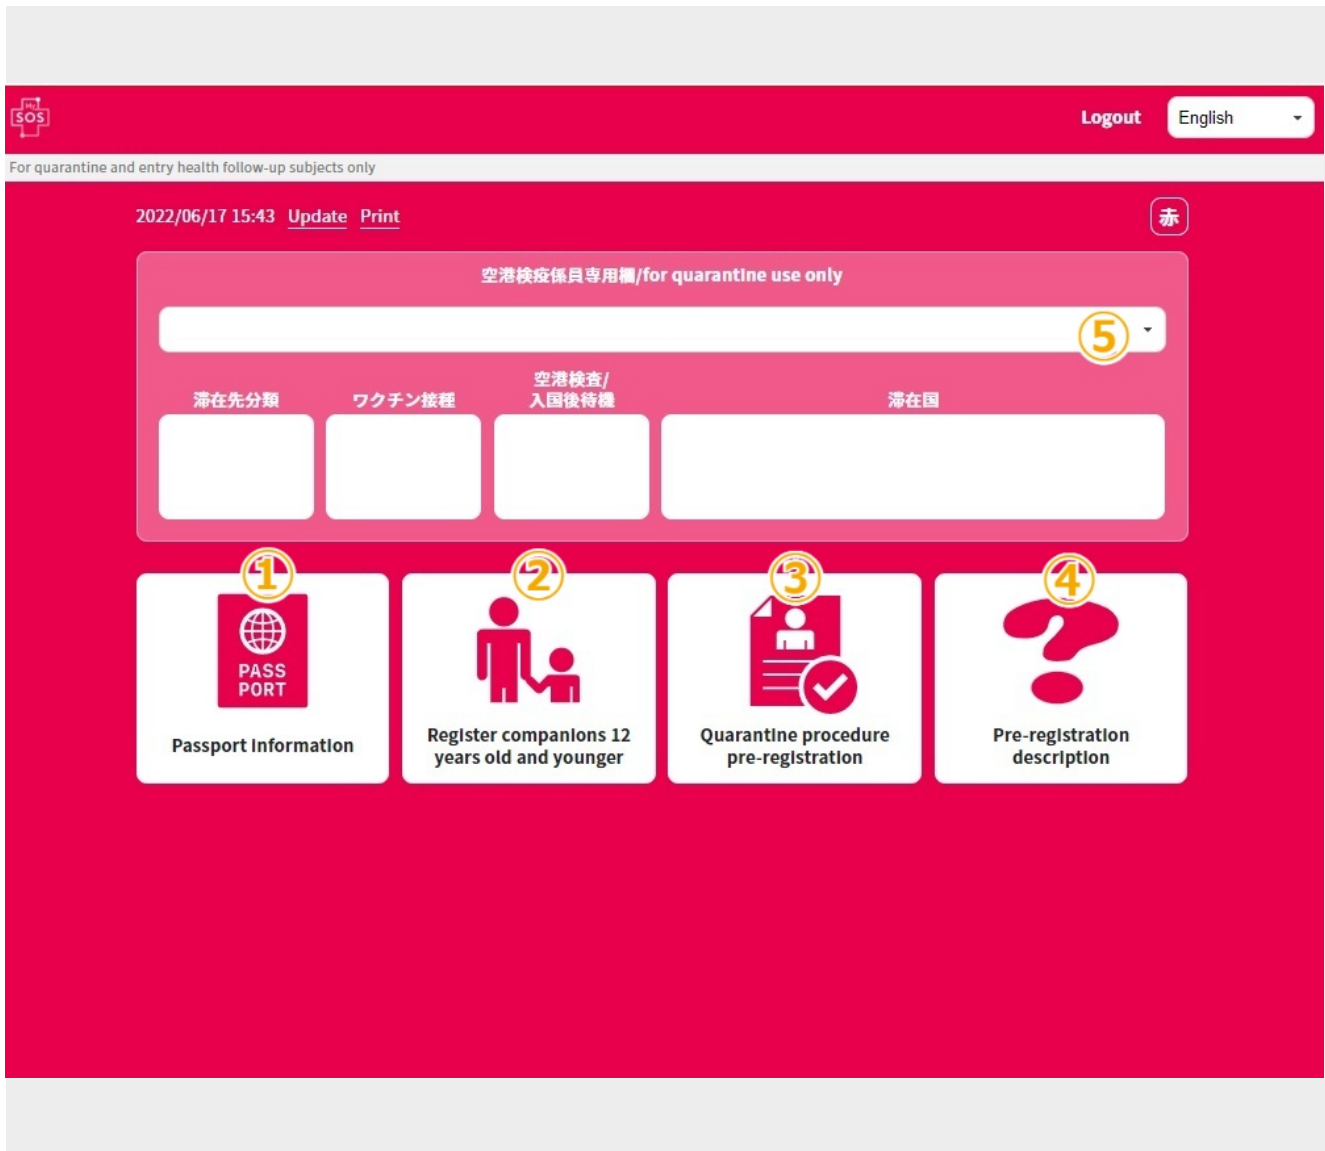

Both screenshots have a black footer bar with the copyright notice '© 2022 Allm Inc.'.

When the e-mail arrives, click the password reset link provided, then enter your password, and click Register.
Note: The password reset link will expire in 60 minutes.

Subject: [MySOS] Password reset notice
Sender: noreply-acct@hco.mhlw.go.jp

You will be prompted to reset your password. Please click the "Go to log in screen" link and log in.

Pre-registration for quarantine procedures

Registration of vaccination certificate

☐ Will register ☐ Will not register

Please indicate your choice.

You have the option of choosing "Will not register" a vaccination certificate.

If you do not register and you have visited/stayed in a country or region in the "yellow" category, you can expect a quarantine inspection at the airport and to be required to quarantine at home/accommodations.

If you have visited/stayed in a country or region in the "red" category, your quarantine location will be a facility specified by the quarantine station.

Note: You will not be able to present a vaccination certificate and make requests at a quarantine station when you enter Japan.

The "Vaccination certificate" screen will open. Please enter the following items.

Status of vaccination certificate: Select "Will register" or "Will not register"

Note: Select "Will not register" if you have not had your third vaccine dose.

Vaccination certificate Validity start date : 2022/05/01	Review completed
Test result certificate for test taken less than 72 hours before departure	Please register

Review results are sent via email. Screen color of the app will change with status.

“Review completed” or “Will not submit” (vaccination certificate): Yellow
Otherwise: Red (unchanged)

When “Being reviewed” you can still register a test certificate.

If you receive a notification of return for correction, please confirm the reason and re-register your vaccination certificate.

35 5.10 Vaccination certificate: Meaning of color of top screen

The screenshot shows a web interface for a vaccination certificate system. At the top, there is a red header bar with the SOS logo on the left, a 'Logout' button, and a language dropdown menu set to 'English'. Below the header, a grey bar contains the text 'For quarantine and entry health follow-up subjects only'. The main content area has a yellow background. At the top of this area, it shows the date and time '2022/06/21 18:27' along with 'Update' and 'Print' links. A small yellow circle with the character '黄' (Yellow) is in the top right corner. The central part of the screen is a white box with a yellow border, titled '空港検疫係員専用欄/for quarantine use only'. Inside this box, there is a dropdown menu showing 'NYUKOKU NATSUKO'. Below the dropdown, there are four white boxes with yellow borders, each containing a status: '滞在先分類' (Stay location classification) with 'B', 'ワクチン接種' (Vaccination) with '接種あり' (Vaccinated), '空港検査/入国後待機' (Airport inspection/Waiting after entry) with '待機なし' (No waiting), and '滞在国' (Stay country) with '・B.イギリス' (UK). At the bottom of the yellow area, there are four white boxes with yellow borders, each containing an icon and a label: 'PASS PORT' (Passport Information), an icon of two people (Register companions 12 years old and younger), an icon of a document with a checkmark (Quarantine procedure pre-registration), and a question mark (Pre-registration description).

The color of the top screen will indicate the status of the registrant (main registrant, accompanying child/ren) who is least advanced in processing.

You can still use FastTrack if the screen is yellow, but when you board the aircraft or enter Japan, etc., you will be required to show the paper (or other) version of a test result certificate for a test taken less than 72 hours before departure.

Data transfer to Visit Japan Web

When the current status is indicate as "Review completed," the information registered can be linked to the Digital Agency's Visit Japan Web Service.

Please tap "Data transfer to Visit Japan Web."

Note: For information about the Visit Japan Web service, please visit the Digital Agency website at the following link.

Data transfer to Visit Japan Web

Information registered with Fast Track can be transferred to [Visit Japan Web](#), a web service that allows you to handle entry procedures for immigration and customs declarations for entering Japan.

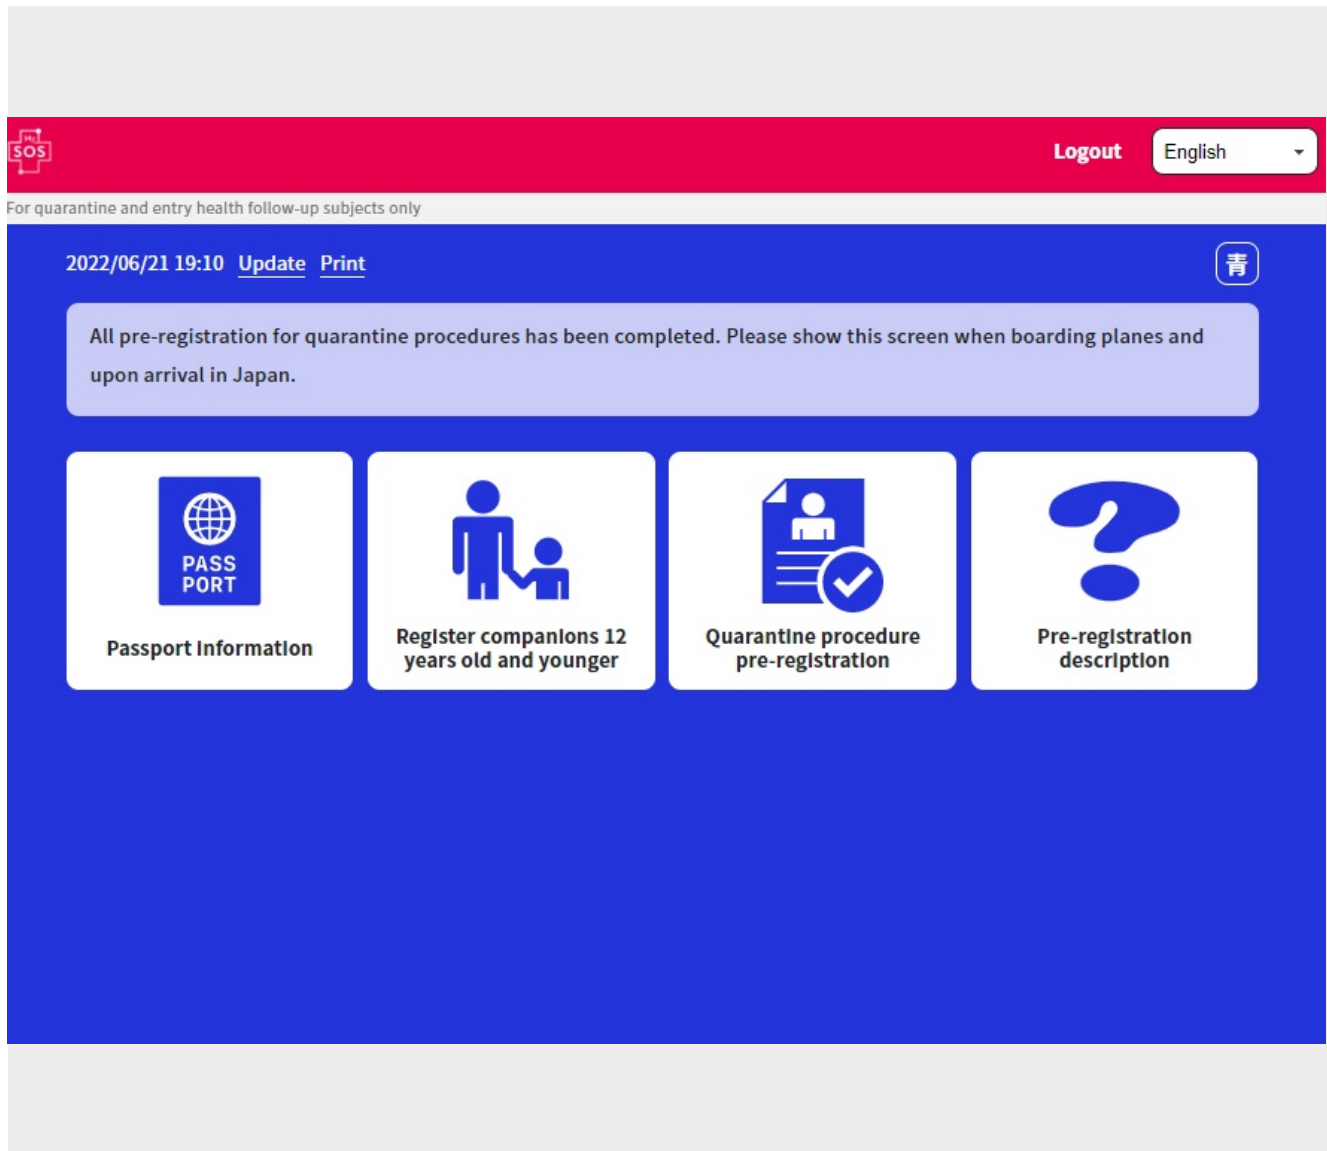

You must obtain a Visit Japan Web account in advance to transfer data. If you do not have an account, please create a new one.

Select "Data transfer" if you agree to have your data transferred. After you go to the Visit Japan Web page and log in, your test certificate and other information you registered with Fast Track will be transferred over.

[Back](#)[Data transfer](#)

Please confirm the details and then tap the "Data transfer" button.

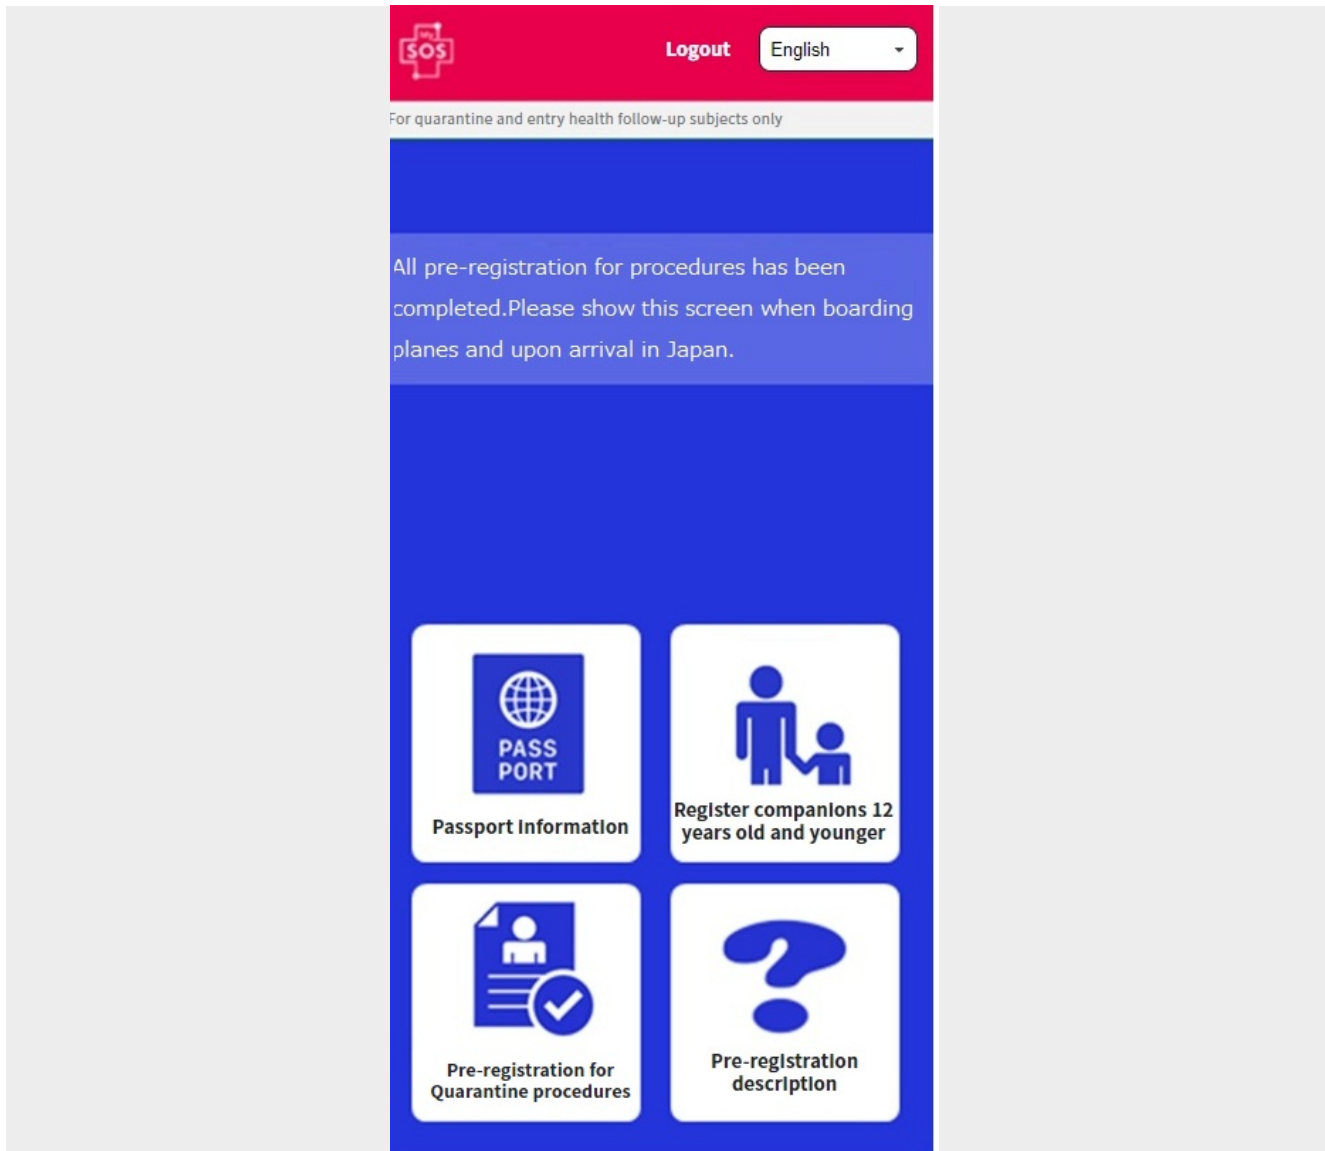

Screen is blue (no quarantine inspection needed at airport, no quarantine needed after entry) if all pre-registration is complete and one of these applies:

- From "blue" country, COVID test (<72 hours before departure) accepted
- From "yellow" country, vaccination certificate (3rd dose), COVID test (<72 hours before departure) accepted

Blue screen may turn green if country risk changes.

7.1 Screen to be presented to quarantine officer upon arrival

When you enter Japan, you will need to show your smartphone/device screen to a quarantine officer. For details please refer to the following manual.

Data you register on MySOS Web will be deleted a few days after you enter Japan. The next time you enter Japan, please start again from the e-mail registration step.
